## 2023 Post-Season Membership Survey

We are re-introducing our annual player survey which stopped when COVID-19 cancelled our 2020-2021 seasons. Your feedback will provide useful input in preparing for our 2024 season. The survey is based on checking off selected boxes that best reflect your views. There is a comment box where you can provide specific views about League operations and activities and how we can make improvements (please try to use point form to facilitate compilation of results).

Thank you for helping in the improvement of our League.
